

New Early Learning Center Family Application and Registration Information 2016-2017

How do I apply to Sacred Heart of Jesus Early Learning Center?

Please contact Kristen Oliver, ELC Director of Sacred Heart of Jesus School, to arrange a tour of the school for your family and a time for your child to shadow in a classroom. Once your child has toured the school and shadowed in a classroom, the next step is to complete an application for admission. Attach all required documents and return the application to the early learning center office. An interview and assessment if applicable of your child's grade readiness can be determined on the day of shadowing.

How do I complete registration for my child?

After your child's application has been received and he/she has been accepted by Sacred Heart of Jesus Early Learning Center, please complete a Smart Tuition form. Your registration will be complete when this document is submitted.

To whom do I pay my tuition?

All payments for tuition must be made directly to Smart Tuition. It's simple: once you complete and sign your Smart Tuition form, you will receive a Smart account. You can go online 24/7 and manage your account information and payments. Our early learning center account code is 10936. The elementary and middle school account code is 10754. Families with children in both the school and early learning center will have two separate Smart accounts.

How much is my tuition?

Choose a schedule for your student and refer to the various tuition prices (included). Tuition is based on child's schedule (number of days and length of the school day).

Included in your tuition for early learning center are all fees except for selected student school supplies, lunch, fieldtrips and uniforms (pre-K).
